Parish Ministries

Fr. Jeff & Spiritual Direction

Learning self awareness in order to help know God's call:

We are starting a very affirming approach to evangelization and our participation in evangelization with a small assessment based on Clifton Strengths.

The Lord has given us many strengths and these generally are life giving.

Often times, people want to find their place in the parish community and in the work of evangelization to which we are all called.

But we can end up in an area which does not give life giving energy. So the purpose of the assessment and a little coaching is to help find where God is calling us to serve. We will be using this tool to help parishioners more in the future. Please stay tuned. We need to affirm the strengths with which the Lord has blessed us.

Christ's peace, Fr Jeff

Sick & Homebound

If you know of someone in our parish that is: in the hospital, nursing home, sick and/or is homebound, or is in need of the sacrament of the anointing of the sick, please notify us by calling the parish office or email the secretary. Due to privacy laws we are no longer automatically notified unless someone tells us. Please help us serve our fellow brothers and sisters in the parish that are in need of this ministry. Your help in serving them is welcomed and greatly appreciated!

Thank you and Christ's Peace,

Fr. Jeff

What a wonderful way to share song and faith with others!

Want to be a Cursillta? Weekends forming now!! -Cursillo is a fresh course in Christianity. To try to explain a Cursillo to someone who has never experienced it is difficult and somewhat mystifying. The reason behind the mystery is God! No one can fully explain how God touches each person in His special and unique way. **Women's Fall– November 7th—10th** For more information see the **Diocese of Covington Cursillo on the internet** or call parishioner Sandy at 859-620-3215.

It is preferable to have a buddy in the garden. if you don't have a fellow volunteer, please reach out and we will pair you with another parishioner.

Also looking for anyone with garden knowledge!!

Organic gardens require special knowledge in tackling pests and disease.

Lastly, prayers are much appreciated!!

Growing up in a Porn Culture: How Social Media, Gaming and Pornography Harms Our Youth

Presented by

Dr. Mandy Sanchez

Director of Programming at Culture Reframed

Sponsored by the

Diocese of Covington Offices of Safe Environment and Catholic Schools

Wednesday, Nov. 6, 2024

Since 2000, the internet has become the main vehicle for porn, and hardcore porn is just a click away — it is free, violent, and based on the degradation and abuse of women and children. The proliferation of the smartphone, together with the growth of teen-targeted social media sites, has opened up yet more avenues for teens to access hardcore porn. This presentation

will explore the most popular social media platforms accessed by young people today, linking the social media, and porn industries and the harmful effects of their exposure on young people.

A must-see presentation for anyone who cares about children and the vulnerable in our world today.

Date: **Wednesday, November 6, 2024**

Time: **6:00 PM** Doors open.

7:00 PM Program begins.
