Also as part of the inner work, he encourages the inner strength work which Chris Bradburn coaches along. The two prong approach is very helpful. Learning self awareness in order to know God's call.

### GRIEF SUPPORT GROUP MEETING

Next meeting will be Saturday, May 9th.

### ST. BRIGID'S PANTRY IS COLLECTING FOR WELCOME HOUSE THIS MONTH

**WHAT WE DO:** Welcome House works to end homelessness. We do this by offering a continuum of services to our clients to take them from housing uncertainty to housing stability.

*We are in need of pantry items for the kitchen, dry and canned goods, cleaning items for the home, personal care items. Thank you for all your generosity.*

### PADRE'S PATCH

With lack of rainfall we need volunteers to water the newly dug in plants and seedlings.

Please call to volunteer a day, with the scattered rainfall predicted we never know if it will get to our patch or not.

Our next step is planting pollinators to attract bees and butterflies, i.e., sunflowers. In addition, perennials should return in the following weeks.

As always, every day in the patch is an example of discipleship; something Fr. Jeff actively promotes here at St. Patrick's.

*Thank you Padre for creating this opportunity!*

Volunteer sign up sheets are in the back of church.

### NEEDED!! MORE BUSINESSES TO ADVERTISE IN THE BULLETIN

Please help us to find new advertisers for the back of the bulletin!

***Thank you for all the advertisers that support us.***

Parishioners, please support these businesses as they are supporting our parish by advertising in the bulletin. Any leads can be sent to, Bobbie Folmer, 859-356-6313.

## SEE others thru Risen Love (capital L)

( the work of an active contemplative)

First and foremost  
I see the person in front of me

Not an abstraction

Not a label  
Not a stereotype  
Not one on right or left or  
Placed in a particular ideology  
Not as less or more colored  
Less or more human

First and foremost,  
I see the person in front of me  
With built-in dignity

Don't get me wrong,  
There is certainly truth and lie  
Right and wrong, good and evil

There is most certainly Absolute Good or  
There could be no good at all

And if no Absolute Good, then everything is permissible -  
dehumanizing according to wisdom and philosophy

And because there is Absolute Good, there is  
Basic good in us all.

For this reason I can even begin to see the basic good in  
the person in front of me

It is most certainly there - his or her dignity  
The Absolute good built into their being

it is a good but concealed or else how can a person  
misperceive me or me misperceive them?  
Or worst of all, I misperceive myself

St. Augustine is right on this point, I think, to call it  
"original wound."

But as far as being with this person in front of me, this  
person is subject not object.  
Basic good, basic being,

But yes, wounded,  
Aren't we all?  
Judge human acts, we must  
But not the person

History reveals every tribe and nation has added to the  
wound.

"Who hasn't sinned, cast the first stone?" As it has  
been written.

That's authentic history, perhaps summed up in one  
line? Judge for yourself. Think for yourself

Respond not react

Martin Luther King Jr had it right, we all are brother and  
sisters in a system within the system

shame or human judgement / condemnation is never  
the end game  
But wholeness, holiness perhaps.

I see the person in front of me as part of the system  
within the system

But to destroy everything and start over in a revolt?  
that would deny the system within the system, so it  
would seem!

It starts with one person seeing the person right in front  
of them , a subject not an object.

How Now? You or I ask?  
if I enter beyond a monologue where I hear only myself  
thinking or talking

Into a dialogue, between the person in front of me and I  
myself

So much so, we understand each other,  
Then I begin see the person in front of me

still more though, there remains blind spots on both  
sides.

What now ?  
Turn up the Light !  
A trialogue

In a Trialogue,  
In the transcendence  
Rising above both views , without destroying both sides  
or both people

But purifying Love, Absolute Goodness,  
Calling for inner transformation of heart.

I have to confess now,  
I say this Love  
Is God,  
God's Heart,

Light from Light  
Jesus Crucified  
And Risen love

Thru Spirit, Sacrament and Word, growing the system  
within the system

In order to truly see the person right in front of me as  
subject not as object whether believer or not

But I never impose only propose,

Crucified Love affirms the dignity in the person right  
before me, and the dignity in me as well.

The dignity is of the Father revealing His Heart,  
Who never stops thinking of the person right in front of  
me, nor of me,

From before time, both of us have our dignity from a  
Heavenly Father who never stops thinking of you or me ,  
God made, not human made,  
Not "my body, my choice"

So much more than that, chosen, made in love  
Your body, my body as God 's Sacred Temple,  
The person in front of me is Temple of Holy Spirit  
Whether handicapped or mentally or emotionally  
challenged and who isn't?

Whether old or young, premie /pre born  
Sick or ill,  
Rich or poor,  
Enemy or friend

We are all called to come thru the Open Door,  
Of His Heart.  
Into the system within the system, the interior kingdom  
of God  
As the person you and I are truly in His firm but gentle  
Eyes

This is how I see the person in front of me  
Especially in his or her suffering  
if I can move from monologue to dialogue to Trialogue.

I see Christ in the person in front of me

It is human,  
It is reasonable  
It is intelligent  
It is Wisdom from above  
It is Christian love,  
It is Beauty, the catholic way of life and seeing  
It is Good News

This is path to peace.  
Share it, if you can

How I see the person in front of me  
starts in my own heart

Never imposed only proposed

Think for yourself,  
each person received from above  
Above the social media and man made social constructs  
From monologue to dialogue to trialogue  
The system within the system

First and foremost, To see others thru Risen Love

Where the true, beautiful and good has been buried  
To let Love out of the tomb

To Love the person right in front of me
