Our next step is establishing walking paths and planting pollinators to attract bees and butterflies, i.e., sunflowers. In addition, perennials should return in the following weeks.

As always, every day in the patch is an example of discipleship; something Fr. Jeff actively promotes here at St. Patrick's.

Thank you Padre for creating this opportunity!

“DOING SMALL THINGS WITH GREAT LOVE”
Mother Theresa

As we continue our Easter season in the joy of our resurrected Lord, we continue to evangelize in big or small ways to each other and to the world. As we are gifted by God with special talents, allow those talents and gifts to help evangelize those we meet.

ADOPT A SPOT ● ● ● ● ● ● ●

We, the parishioners, newest adventure onto the path of evangelization is a campaign to maintain and beautify the church grounds. As we are blessed with the property Saint Patrick’s sits upon and the God given beauty it shares with us we would like to encourage anyone who has given thought to a specific area of the grounds, **A SPOT**, that may need “cleaning up”, or “maintaining”.

As you give this consideration, there will be a parishioner in the back of church to answer questions. ***This could be your opportunity to share your time and talent and be stewards of the earth.***

CONGRATULATIONS!

STORM HEAVEN WITH PRAYERS FOR PEACE

During the Second World War, a group of people stopped whatever they were doing at a specific time every night to pray for peace and safety for everyone. They did this every day, and it was as if the whole city paused — such was the power of prayer. The result was so overwhelming that the bombing stopped shortly afterward!

Now once again some people are organizing. A group of people around the world has agreed to spend one minute praying for the safety of our countries, for the end of the problems that oppress us, and for God to guide the decisions of our leaders. We will gather (in our hearts) at the following times:

Please support us in this initiative. Every day we will pause for one minute at the designated time to pray for world peace, for the end of conflict, and for the restoration of calm and security for all people on earth. We will also pray that families may seek their security, protection, and salvation in God.

If we truly understood the immense power of prayer, we would be amazed. 🙏🙏🙏🙏

Set an alarm on your phone every day at the time designated for your country (USA: 1:00pm) and pray for one minute for peace. 🙏🙏🙏🙏

The power of many people praying together at the same time is incredible!

Let us try to pray at the given time. 🕒

"We need to find God, and He cannot be found in noise and restlessness. God is the friend of silence. See how nature-trees, flowers, grass-grow in silence; see the stars, the moon, and the sun, how they move in silence...We need silence to be able to touch souls." — Mother Teresa
