PADRE'S PATCH UPDATE

Hopefully we will see the rain slowing down, when that happens, we will need those who have volunteered to pick a day where they can regularly come up to water, pull weeds and just keep an eye on things. With the rain letting up, hopefully, watering will be our most important job in the garden. Please contact Shelley through FLOCKNOTES (download app) or her email to give a date of when you may be available to keep those plants thriving. Shelleyab202@gmail.com
